

Spring Youth Hockey at City Ice Pavilion

Spring Season Starts March 22nd!

Looking for a place for your child to play hockey this spring? City Ice Pavilion has programs and clinics for players of all ages.. Whether your child enrolls in **Manhattan Mighty Mites**, competing in our **After School Hockey League**, or getting EXTRA practice in **City Ice Skills**, City Ice Pavilion is New York's best place to play! For more info, or to register your child, please contact our **Director of Hockey, Patrick Jackson** at **718.505.6230**, ext 7001 or email him at pjackson@cityicepavilion.com

After School Hockey League

City Ice Pavilion is pleased to offer the **After School Hockey League**. With after school practices, run by our expert coaching staff, and games on Friday and Sunday afternoons, the whole family will be able to enjoy your child's hockey experience! **Evaluations** for the Spring Season will start **March 14th**. The first official practices will start on March 22nd and the Season will finish with Division Championships on **Sunday, June 6th**.

Cost per player

Mighty Mites - 1 Day Per Wk: **\$500.00** Both Days: **\$850.00**

Squirts & Peewees - **\$600.00**.

Divisions

- **Mighty - Mites - 9 Years old & under** (Evaluations on March 15th & 17th at 5:00 PM)

Mighty Mites is for mites and squirts that are looking to work on their skills in a more instructive environment during the spring. All Mighty Mites will practice together, under the supervision of the City Ice / Mighty Mite Coaching Staff. Mighty Mites will have some optional half-ice and cross-ice games on Sundays.

Practice: Monday and /or Wednesday @ 5:00 p.m.

Games: Sunday

- **Squirts - 10 years & Under** (Evaluations on March 16th at 5:00 PM)

This Division is for the 2nd year Mite, and all Squirts that are ready for full-ice games.

There are already two competitive Squirt Teams registered, so space in the Squirt Division is limited!

Practice: Tuesday @ 5:00 p.m.

Games: Friday or Sunday

- **Pee Wee - 12 years and Under** (Evaluations on March 16th & at 6:30 PM)

The Pee Wee Division plays with body checking. The Pee Wee program will focus on improving individual tactical & technical skills, while introducing team systems. There will be several body-checking clinics held throughout the season, to insure all players thoroughly understand how to give, and receive a safe and effective body check. Space is limited, register your child today!

Practice: Tuesday @ 6:30 p.m.

Games: Friday or Sunday
