2022/2023 Season

New to Hockey? Here's How to Start!

Step One

Hockey 1

Must be a graduate of Learn to Skate Basic 3 or Snowplow Sam 4 classes prior to enrollment

Children will work on improving their skating, learning one-foot pushes and glides, backward swizzles and snowplow stops, while beginning stick handling and shooting. Upon graduation, skaters will be given a white bracelet, signifying successful completion of Hockey 1.

Step Two

Hockey 2

Children will be introduced to more advanced hockey drills and stick and puck handling techniques, as well as ongoing work on skating skills, such as crossovers and inside and outside edges. Upon graduation, they'll earn a yellow bracelet, and move up to Hockey 3.

Step Three

Hockey 3

This class continues work on stick and puck handling and skating skills, with a fun scrimmage at the end of each class. Upon graduation, players earn a coveted blue bracelet and will qualify to join the NYC Skyliners House League.
